THIS IS OUR FINAL NEWSLETTER FOR 2023

CELEBRATE GOOD TIMES....COME ON, LET'S CELEBRATE!

Our year came to an end this morning with our final celebration assemblies and we had much to celebrate! Every child who participated in our sports day received a certificate and the winning house this year was....St. Matthew!! 7 children were rewarded for having 100% attendance for this year which is a fantastic achievement! Not only that, 1 child managed 2 consecutive years of 100% and 1 child has even managed 3 years of 100% consecutively! Other children received certificates for using our Gospel Values or remembering our essential life skills as well as children being rewarded for outstanding efforts in class.

In fact, the final few weeks of this term has been all about celebrating and enjoying the end of what has been a truly successful year for our children. We've had sports day, a music festival, a visit from a mobile farm, the Y6 residential and every year group has had a celebratory trip out! Parents/Guardians, you've received your child's end of year reports along with your child's school books. We hope you're as proud as we are of all the children. We know just how hard they work in lessons and the amount of effort they put into their work. We know they try their very best to live out our challenging Gospel Values and this shows in their exemplary behaviour. The staff in school are really proud and this is why we wanted to reward them with a really special finale for the end of the year. WELL DONE CHILDREN!

GRADUATES

We're delighted to hear that a number of our parents and past pupils have been graduating this month! Our congratulations to you all - what an inspiration you are to our children! We wish you every success with your qualifications!

THANK YOU!

On behalf of the governing body I would like to thank our staff for all their hard work. All of the above events don't happen by magic - they take a lot of co-ordinating, organising, planning and preparation. Lots of staff give additional time so that all of the above can go ahead. I know that parents/guardians appreciate this.

I would also like to thank you, our parents/guardians for everything that you do to support our staff in school. For all the times you hear your child read, help them complete homework, run after them with their P.E. kit when you could be doing 100 other things. Because all of you are investing your time, love and money into your children, they are able to shine and flourish like they do! Thank you! We appreciate your support and enjoy working in partnership with you.

SO LONG, FAREWELL, AUF WEIDERSEIN, GOOD-BYE!

We say good-bye to our Y6 children today (Class of 2023) and thank them for their leadership and support over this year. They really did step up to the responsibilities they were given and have been fantastic ambassadors and role models for our school. We wish them all the very best for the next chapter in their lives as they transition to high school and we look forward to them visiting when they come to show off their new uniforms!

We also say good-bye to some of our children: Frida is moving out of the area, Amelia and Kevin will be joining their siblings at schools closer to home and Kemi will be moving to a new school also. We wish them all well as they settle into a new home town and school.

Unfortunately, we'll be saying good-bye to some of our staff today as well. We say thank you and good-bye to Mr Hughes, Miss Clarke, Miss McCormick, Miss Simpson & Miss Badesha. We wish them all the very best in their next adventures and hope they take fond memories of St. Patrick's with them.

TRANSITION

Most children had the opportunity to meet their new teachers for September and this will help them to get excited about 'moving on up'. Early on in September, parents will be invited into school to meet and greet your new teachers and you'll have the chance to find out exactly what will be happening for your child. ***Please look out for a letter from me via email just before the term starts with some further updates and relevant information for the start of the year.***

CHANGES TO FINANCIAL MATTERS

SCHOOL GATEWAY: As you are aware, Pay360, our online payment system, is being withdrawn by the company. This means that we are moving over to School Gateway and ask that you register before the end of term in order to be ready for September. More information has already been sent out this week so please check your emails and register as soon as possible so that you are ready for the start of the new school year.

It probably won't come as a surprise to you that unfortunately, we too, are having to raise our charges for certain services despite still subsidising them.

Breakfast club: this will increase to £15.00 a week

School meals: these will increase to £2.45 per day, £12.25 per week.

After school club: NO CHARGE, completely funded by school so please make the most of this.

UNIVERSAL INFANT FREE SCHOOL MEALS: As you are aware, children in Reception, Year 1 and Year 2 are provided with a free school meal each day as part of the government's Universal Free School Meals initiative.

This means that children who are currently in the Nursery 2 class will no longer pay for meals when they move to the Reception class in September. Please can you make sure that any dinner money arrears are cleared before the end of term.

This also means that children who are currently in Year 2 will need to pay for their meals from September when they move into Year 3.

FSM VOUCHERS: The Council has approved funding for supermarket vouchers for children eligible for free school meals (FSM) for the Summer break to help with the financial pressures placed on many of our families at this time. This is a one off payment of £55.00 issued to parents this week. This can be redeemed at a supermarket of your choice. Please contact the school office before the break if you have any problems accessing the voucher.
